

DP 13 HP-400 Advantages:

Highly manoeuvrable

Built in water tank

Strong and durable construction

Diamond Products

DP 13 HP-400 Concrete Saw

Designed for strength, durability and performance. Whether cutting concrete or asphalt, the reinforced steel box frame design adds strength necessary to reduce vibrations while cutting. Minimizing vibrations enhances the performance of the blade and extends the life of the saw.

Features

- Super-rigid box frame ensures straight cuts while resisting warping and vibration. This prolongs the life of the saw and the blade.
- Ergonomically designed height adjustable handles.
- Easy crank for raising / lowering cutting depth.
- Rust less water tank provides an optimum flow and volume of water to the blade.
- Hinged front, lift-up blade is designed to provide easy replacement.

Specifications

Engine:	Honda GX390 13Hp petrol
Weight:	144kg
Max Cutting Depth:	140mm
Blade Size:	350 / 400mm
Drive:	Push-type
Water Tank Capacity:	35 Litres

Exceeding Expectations Always
